BARCLAY BUTERA BRENTWOOD

I HAVE ALWAYS BEEN INTRIGUED BY THE
FASHION AND ROMANCE OF THE
HOLLYWOOD REGENCY PERIOD.

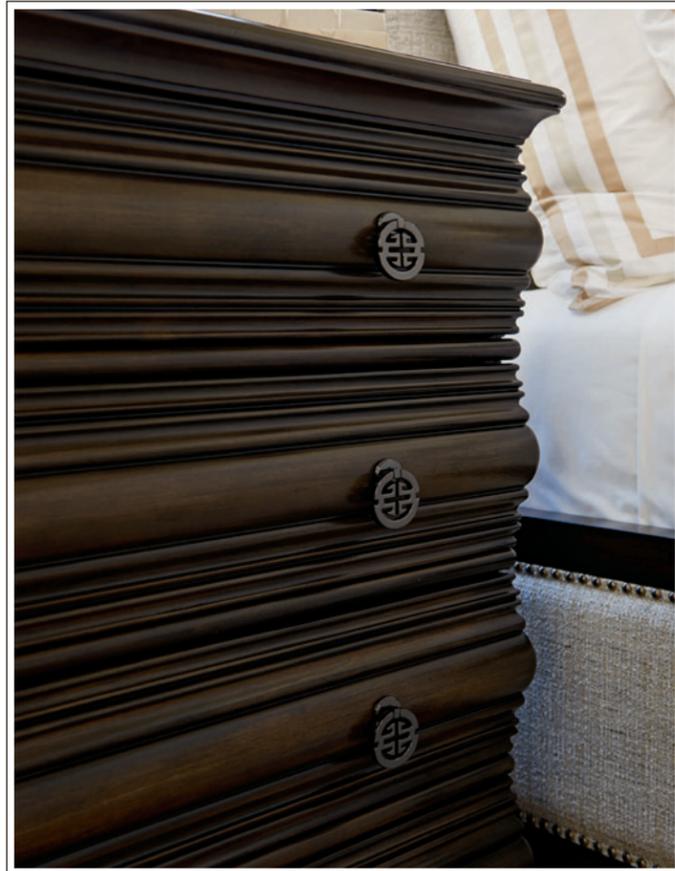

Brentwood draws inspiration from that golden age. Designs in the collection offer a fresh interpretation of the classics, striking a sophisticated balance between formal and casual. For me, that connection to the past, infused with the energy of today, is the essence of new traditional design.

Brentwood features an extraordinary Wilshire Gray finish, hand-waxed to a lustrous sheen, that imparts remarkable depth to the wood. Accent finishes include ebony and textured silver leaf, while metal bases and custom hardware in black nickel stainless contemporize the look. A gorgeous assortment of textiles, layered with the sophistication of the wood and stainless, offer a timeless aesthetic with a decidedly modern vibe ... and a chic interpretation of new traditional style.

UPHOLSTERY

Please note that, throughout this catalog, certain upholstery frames are shown with special application fabrics, pillows or trims that were selected by Barclay Butera. In those cases, a suffix has been added to the frame number – AA, BB or CC – to designate that specific correlation. When ordering the item, the suffix will automatically identify the custom combination. If you wish to choose your own fabric or COM, just order the frame number without the suffix and specify the fabrics, pillows and trims of your choice.
