LEXINGTON

SHADOW PLAY

The trend in interior design continues to move in a decidedly contemporary direction, while lifestyle aspirations are becoming increasingly casual. This juxtaposition creates a unique opportunity for a fresh approach to styling that blends elements of both.

Shadow Play features clean lines, a relaxed taupe-gray finish, contemporary hand-forged metal designs in burnished silver leaf, and soft textural fabrics on custom upholstered seating.

The result is a sophisticated take on casual contemporary style. There is an urban edge to the design aesthetic that makes a strong statement, while the casual finish and relaxed fabrics offer elegant restraint. We invite you to explore the warm, inviting, approachable look of Shadow Play from Lexington.
