# ALBION

## B E R N H A R D T

Designed in a palette of soft weathered grey, Albion has a relaxed elegance that feels well-traveled. Traditional forms are pared down to unadorned, modern silhouettes, combining the nuances of Shaker and British Colonial antecedents with hints of French styling and an exotic Moroccan motif. The textural depth of a rustic finish adds a layer of dimension to the beauty of familiar frames. Understated hardware lends a slightly vintage character that highlights the tactile wood grain and natural variations in wire-brushed, cerused white oak. Impeccable craftsmanship grounded in simple tailoring adds depth and definition to classical symmetry and soft curves. A subtle formality gives the collection a casual sophistication with the enduring luxury of a bygone era and the timeless ease of American style.
