ARCADIA

B E R N H A R D T

Elemental and serene, Arcadia finds beauty in bold shapes, unadorned surfaces and a mix of materials. Monolithic forms and a restrained sensibility define an elevated aesthetic with the softness of rounded edges, tactile materials and a palette of muted earthy hues. A rustic finish adds depth and texture, highlighting the lustrous drama of striated stone. Profiles are simplistic, grounded and unpretentious, with a relaxed modern mood. The collection combines warm minimalism with a reflective, tranquil sentiment for a look that's understated and peaceful with effortless sophistication.
