CORNELIA

B E R N H A R D T

Defined by relaxed elegance and subtle glamour, Cornelia is a modern expression of refined neotraditionalism. Dramatic Florentine metalwork, feminine details and graceful lines combine with the softness and fine grain of a muted grey finish. Parquetry on tabletops and door fronts adds dimension and depth. Delicate frames, metal inlays and tapered legs highlight familiar profiles with pared down silhouettes. Traditional references are subverted in classic forms, balancing clean lines with a hint of splendor. The look is sophisticated and fresh, with an understated, quiet beauty.
