HIGHLAND PARK
Second Edition

...furnishings that
reflect lifestyle,
attitude and
individuality.

Inspired by urban living spaces, Bernhardt Loft is an evolving lifestyle brand featuring a range of casegoods and coordinating upholstery. With hints of farmhouse and mid-century styling, the Highland Park collection is intentionally eclectic, meant to combine seamlessly with everything from antiques and heirlooms to open floor plans, exposed brick and converted industrial lofts. Distressed pine solids and veneers and reclaimed pine are finished in a palette of muted grey and brushed white, highlighting the grain and imperfections in the wood. Cast concrete and metal accents suggest a metropolitan cityscape, while planked wood overlays and herringbone insets add layers of rustic texture reminiscent of found objects. Clean lines and simple shapes frame geometric patterns, tonal contrasts and cantilevered forms with minimal hardware. Collection pieces feel unique, with a one-of-a-kind type of appeal. Bernhardt Loft is casual in nature and smaller in scale, but stylish and sophisticated, with a new look and a fresh, edgy take on furnishings that reflect lifestyle, attitude and individuality.
