# MODULUM

---

B E R N H A R D T

Building on the unique use of materials, form and intersecting planes, Modulum has a soft modern feel with chic, livable style. A sun-baked finish adds contrasting warmth and texture to smooth, semi-matte stone and shiny polished stainless steel. Minimalist forms and unadorned surfaces highlight the flawless beauty of geometric balance and sleek open frames, while fluted profiles have a hint of classicism. The collection is a study in juxtapositions, defined by layered material combinations and subtle drama. The look is relaxed and understated with clean lines, bright sophistication and a fresh, effortless appeal.
