Workspace. It's where ideas take shape and inspiration becomes innovation. The design and configuration of this space impacts energy, productivity and creativity. Ideally, it is both functional and stylish, with a look that feels like... you. Bernhardt Workspace combines the aesthetics and principles of interior design with the functionality of a home office for a space that's immersive and engaged. Pieces work together with layering and flexibility. Clever storage hides cords and gadgets for clean, uncluttered surfaces and room to move. Minimalist profiles and sophisticated finishes have a chic, modern feel. Bernhardt Workspace offers a thoughtful approach to the evolving needs of today's home office with the heritage of Bernhardt's design philosophy. Life happens. Work happens. Great design makes it all a little more beautiful.
